

Harish Chandra Mathur Rajasthan State Institute of Public Administration (HCM RIPA) is the premier training institute of Government of Rajasthan for training of officers of All India and State Civil Services. It is the apex level training establishment in the State which is responsible for conducting Foundation, Institutional-Professional and short term in-service training courses for State Service Officers. The Institute also conducts in-service thematic courses and mid-career training throughout the year. It strives to function as a capable capacity building institution to fulfil demand driven training needs of executive departments in the State.

Presently, Institute is organizing Foundation Course for the State Services Officers and request all the subject experts who are interested to facilitate in the course to provide information in the online form. The handbook available on the website **hcmripa.rajasthan.gov.in** contains the syllabus of the course.

Major thrust for the capacity building programmes are given in the area of Administration, Finance, e-Governance & Information Technology, Soft Skills, Right to Information, Gender Issues, Urban Development, Ethics in Governance, Disaster Management, Training of Trainers (Delivery and Design of Training) etc. The courses are conducted by team of professional trainers comprising of both practitioners in the Government and academics in relevant disciplines.

The institute has practice of regularly updating resource person's directory. An online form is available for updating resource person directory by experts. We encourage all subject experts to register with HCM RIPA as guest faculty in area of your expertise through link:
